SUGGESTED ACTIVITY - Glacier Explorers Mt. Cook

Experience 500 year old icebergs up-close on the Mt Cook terminal lake. The Glacier Explorers tour is the only one of its kind in New Zealand and one of only three in the world! Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

SUGGESTED ACTIVITY - Sir Edmund Hillary Alpine Centre Museum and Theatre Explorer Pass

A tribute to New Zealand's Sir Edmund Hillary, a humanitarian, ambassador, and one of the world's greatest explorers. The centre showcases the Aoraki Mount Cook region, the history of climbing, and early transport used throughout the region. This comprehensive museum details the life of Sir Edmund Hillary, the Hermitage, and provides access to the 126-seat custom-designed theatre. Check out the daily film schedule which includes 3D Movies, documentaries, and 360-degree digital dome features.

From the Visitor Centre at the southern end of Lake Pukaki, you will be rewarded with magnificent views of this immense peak. As well as its impressive beauty, Mt Cook National Park is also home to a huge range of awe-inspiring sights and activities. Take to the air with Mt Cook Ski Planes for a scenic flight that includes a glacier landing. At around 27 kilometres long the Tasman Glacier is New Zealand's longest and a Glacier Explorers tour will give you the opportunity to see its unique features.

There are many short hikes in and around the park and these are well signposted. Those with an interest in the night sky should take a stargazing tour with the Hermitage Hotel. The region is considered to have one of the clearest night skies in the world and is one of the few gold-rated dark sky reserves worldwide.

The Hermitage Hotel complex offers fine dining, multiple cafes and a bar. Due to the remote location of the property, there are no shops and limited supplies at Mt Cook Village. Visit the Sir Edmund Hillary Alpine Centre for insight into this region's mountain climbing history. You'll also learn of Sir Ed's incredible achievements and his dedication to helping others around the world.

The Hooker Valley Track is an iconic track that offers one of the best day hikes in New Zealand. The trail winds through the Hooker Valley, passing swinging bridges, glacier-fed rivers, and offering breathtaking views of Aoraki/Mount Cook and its surrounding peaks. The Kea Point track is an easy walking track offering stunning views of the Mueller Glacier terminal lake and Aoraki/Mount Cook. If you were a little late off the mark this morning you may get the chance to see the blue penguins come ashore at dusk.

Continue south down the coast to Moeraki, and take a detour towards the beach to see the Moeraki Boulders, a unique geological feature well worth a look. As you arrive in Dunedin, take in the city's Edwardian and Scottish heritage reflected in the buildings around the city centre The Octagon.

Dunedin

The splendor of many of its public buildings reflects Dunedin's economic and cultural pre-eminence in Victorian New Zealand. Today, Dunedin has a rightly deserved reputation as one of the best-preserved Victorian and Edwardian cities in the Southern Hemisphere. Of particular note is Dunedin Railway Station, built 1904 - 1906, and St Paul's Cathedral in the Octagon.

The Otago Museum and Discovery World are renowned for its Maori and Pacific Island collections and its natural history displays. Discovery World Otago Museum is a hands-on science center, with many interactive exhibits and programs. The Otago Settlers Museum features the social history of Otago, seeking to tell the stories of the people who have made Dunedin and Otago their home. A visit to the Speights brewery is also considered a must while in Dunedin and if you have the time the Taieri Gorge Railway is spectacular.

Within the city boundaries are numerous noteworthy gardens, from the formally laid out annual color displays of the Dunedin Railway Station gardens, to the delightful private gardens owned by residents. The Botanic Gardens is famous for the Rhododendron Dell, its exotic beauty celebrated every year in the third week of October with the Rhododendron Festival. Glenfalloch Woodland Garden and Restaurant is a 30-acre harbourside garden featuring rhododendrons, azaleas, magnolias, and fuchsias.

The Otago Peninsula can be visited for the day from Dunedin and the stunning harbour landscape is worth exploring. It's here that you will find the only mainland gannet breeding colony in the world, as well as a myriad of other wildlife. High among the rolling hills of the Peninsula is Larnach Castle, the grand home of an early politician. Construction of the castle began in 1871 and was completed 12 years later. You can stay overnight in one of the many rooms. From here, views out to sea and back towards the city emphasise the singular beauty of Dunedin and its jewel-like harbor.

The Castle is located high up on the Otago Peninsula and looks down on Dunedin city giving beautiful views. The gardens have an International Garden of Significance status and have a unique collection of antiques, including a unique nine piece Totara knot suite. The Ballroom cafe is a fantastic place to rest and reflect on all you have seen while enjoying a delicious range of refreshments. In this self guided exploration of the castle and gardens, you are free to discover on your own.

SUGGESTED ACTIVITY - Albatross Classic Tour with Royal Albatross Centre

Dunedin to Queenstown

This drive takes you through the heart of the historical Otago Goldfields. The townships of Lawrence, Roxburgh and Alexandra, once booming mining towns in the late 1800's gold rush now sleepy sun-traps bearing little resemblance to their bustling past. It is also a great place to buy some of the local produce.
